

# Maine H1N1 Influenza (“Swine Flu”) Update

Data Summary for Wednesday, June 24, 2009, 3 PM

**Flu info on the Internet:** <http://www.maine.gov/dhhs/boh/swine-flu-2009.shtml>

**\*6 new cases reported\***

## Maine CDC and Department of Education partner to offer seasonal influenza vaccine in the fall

- Maine CDC and the Department of Education partner to offer seasonal influenza vaccine to children through interested local schools this fall. For more information on how you can become involved, check the health advisory on this subject at: <http://www.maine.gov/tools/whatsnew/attach.php?id=74633&an=1>

## New Cases:

- Six new cases were reported today, all confirmed. 1 child and 2 adults from Androscoggin county, 2 adults from York county, and 1 adult from Penobscot county.
- One new hospitalization was reported today in Androscoggin county. The patient has been discharged. A total of 6 patients have been hospitalized, 1 patient remains hospitalized.
- 5 summer camps have had cases of H1N1 to date, involving 10 individuals.
- Although case counts are reported here, it is important to note that individual case data are useful only in that they are markers of the presence of H1N1 in a given county or geographical area. Many people with H1N1 are not tested, and their illness is not reflected in the case counts. Counties or regions with no reported cases may still be affected.

## Current Case counts:

Case Counts	Confirmed	Probable
Maine	60	1
Out of State	17	0

- A total of 61 Maine residents have been diagnosed with H1N1 (60 confirmed and 1 probable). In addition, 17 out of state residents were diagnosed while visiting Maine, for a total of 78 diagnoses in the state.

## Lab Testing:

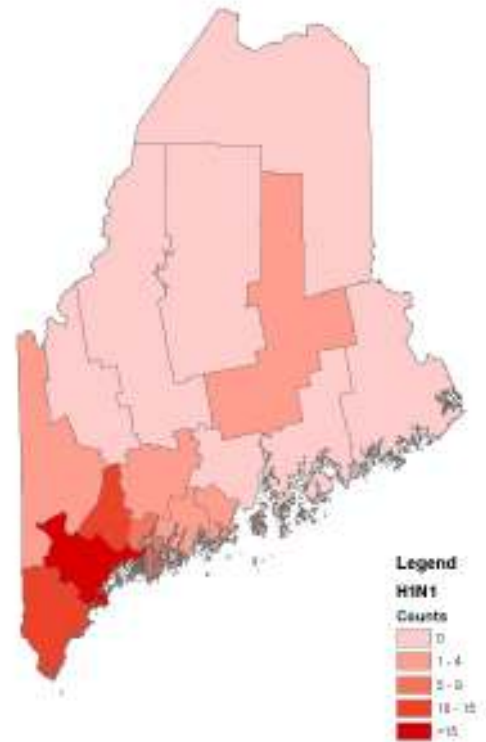

HETL numbers	# tests
New	11
Total	2117

### Confirmed and Probable Cases by County:

County List	New Cases	Total Cases	Out of State*
Androscoggin	3	11	1
Aroostook
